Gentlemen;

Sometimes back I had a copy of a tintype made in color. I had told you if the picture was favored by other members of my family I would have more made.

They have all seen the color picture 5"X7" which you sent me mounted for 89¢ and all like it very well.

I would appreciate you sending me three more pictures mounted in color. I shall enclosed the negative and $2.67 for pictures plus .08 to cover postage so in all I am enclosing $2.75 with negative. Please return negative. Please send as fast as possible.

Yours truly
Mrs. Pierre Hernandez
